B3-3.3-01, Base Income (03/04/2026)

Introduction

This topic contains information on determining qualifying income for base pay, including:

- Overview
- Fixed Base Income
- Variable Base Income

Overview

Base income is received on a regular basis, independent of additional earnings such as overtime or bonuses. It is categoriz

- **Fixed base income** refers to a set salary or fixed hourly rate with guaranteed minimum hours. These hours may have
  which does not alone preclude the borrower's income from being considered fixed base income.
- **Variable base income** refers to a fixed hourly rate with fluctuating hours, or an hourly rate that varies.

Fixed Base Income

The following table provides requirements for fixed base income.

Criteria	Requirements
Documentation	The lender must obtain • a completed *Request for Verification of Employment* (Form 1005), or • the most recent paystub and most recent W-2. Additionally, a verbal VOE is required. See B3-3.1-04, Verbal Verification of Employmen
Income History	A minimum history is not required for inclusion as qualifying income.
Income Continuance	The lender is not required to verify continuance unless they have reason to believe the inc

<table>
<tr><th>Criteria</th><th>Requirements</th></tr>
<tr><td>Determination of Qualifying Income</td><td>The lender must calculate fixed base income as shown in the following table.
<table>
<tr><th>How Often Paid</th><th>How to Determine Monthly Income</th></tr>
<tr><td>Annually</td><td>Annual gross pay / 12 months</td></tr>
<tr><td>Monthly</td><td>Use monthly gross payment amount</td></tr>
<tr><td>Twice Monthly</td><td>Twice monthly gross pay x 2 pay periods</td></tr>
<tr><td>Biweekly</td><td>(Biweekly gross pay x 26 pay periods) / 12 months</td></tr>
<tr><td>Weekly</td><td>(Weekly gross pay x 52 pay periods) / 12 months</td></tr>
<tr><td>Hourly</td><td>(Hourly gross pay x average # of hours worked per week x 52 w</td></tr>
</table>
The borrower's qualifying income must be consistent with year-to-date base earnings. If y
days' of earnings, the lender must confirm qualifying income is consistent with the prior y</td></tr>
</table>

Variable Base Income

The following table provides requirements for variable base income.

Criteria	Requirements
Documentation	The lender must obtain • a completed *Request for Verification of Employment* (Form 1005), or • the most recent paystub and most recent W-2. Additionally, a verbal VOE is required. See B3-3.1-04, Verbal Verification of Employmen
Income History	A minimum 12-month history of receiving variable income is required.
Income Continuance	The lender is not required to verify continuance unless they have reason to believe the inc

Criteria	Requirements
Determination of Qualifying Income	The lender must calculate income using one of the two methods below. **1. Average Income**: Depending on the historical trend of the income, the lender must calc • **Stable or Increasing**: Calculate an average income amount using year-to-date and pr include a minimum of 12 months' income. • **Decreasing**: The lender must confirm the current income level has stabilized after the qualifying. To calculate income, use the year-to-date income divided by months elaps **2. Average Hours**: The lender must multiply the average monthly hours (based on at least hourly rate. > **Note**: When a documented, non-recurring event outside the borrower's control tempora lender may exclude that period from the income calculation. The pay raise policy in B3-3.2-02, Standards for Employment-Related Income does nc variable base income must be in place prior to closing.
